2. Education

2009-2012	PhD in Child and Adolescent Psychiatry Institute of Psychiatry, Psychology and Neurosciences, King's College London, UK. Defense date: 02.July.2012 Thesis: <i>Effects of Atomoxetine and Methylphenidate on functional brain activation in medication-naïve children with Attention Deficit hyperactivity Disorder</i> Supervisors: Prof. K. Rubia, Dr A. Smith
2003-2006	Certified Clinical Psychologist Spanish Ministry of Health (Ministerio de Salud y Consumo), Madrid, Spain (<i>national examination</i>)
2005-2007	Advanced Studies Diploma (DEA, equivalent to MPhil) , Universidad Complutense de Madrid, Spain
2003-2005	MSc in Psychotherapy (<i>specialization: Clinical and Psychoanalytic Psychotherapy</i>), Universidad Pontificia de Comillas, Madrid, Spain
1995-2000	BSc in Psychology , Universidad Complutense de Madrid, Spain

3. Employment history

09/2019-present	Senior Researcher (0.7 FTE) Department of Child and Adolescent Psychiatry(research). University Psychiatric Clinic/University of Basel, Switzerland. Supervisor: Prof. C. Stadler
03/2020-present	Senior Researcher (0.3 FTE) Department of Economics, University of Zurich, Switzerland. Supervisor: Prof. TA. Hare
09/2013–02/2020	Postdoctoral Researcher (average FTE: 0.8) Department of Economics, University of Zurich, Switzerland. Supervisor: Prof. TA. Hare
07/2012–09/2017	Visiting Researcher Department of Child and Adolescent Psychiatry, Institute of Psychiatry, Psychology and Neuroscience, King's College, London, UK
01/2009–05/2012	PhD Fellowship Institute of Psychiatry, Psychology and Neuroscience, King's College London, UK. Supervisor: Prof K Rubia.
06/2010–05/2011	Consultant Psychologist (Child Psychology) Kids Company (<i>charity organization that worked with young ex-offenders and disadvantaged children through inner-city schools</i>), London, UK
09/2007–09/2009	Alicia Koplowitz Fellow (Child Psychology and Psychiatry) Institute of Psychiatry Psychology and Neuroscience, King's College, London, UK. Supervisor: Prof K. Rubia, Prof. E. Taylor
06/2006–09/2007	Specialist (Clinical Psychologist) Children's Day Hospital, Pradera de San Isidro, Madrid, Spain
06/2003–05/2006	Clinical Psychologist trainee Hospital Universitario Doce de Octubre, Madrid, Spain

4. Institutional Responsibilities

04/2019 – 09/2019	Workgroup for the establishment of new guidelines at the different laboratories at the department, UZH
08/2014 – 06/2015	Organization of the Neuroeconomics seminar at the UZH
01/2015	Organization 3 days mini-course at the UZH on the neuroscience of empathy

5. Approved Research Projects as Principal Investigator

08/2021- 01/2023	<i>“Learning from Experience: influence of Age on Decision-making processes in Social contexts (LEADS)”</i> . Funds for Excellent Young Researchers, University of Basel. Amount: CHF 66’262
06/2021-05/2022	<i>“Investigating the specificity of neural correlates for emotion processing deficits in conduct disorder and autism spectrum disorders”</i> . University Psychiatric Clinic Basel Research Funds. Amount: CHF 68’838

6. Supervision of Junior Researchers

Since 02/2020 UPK Basel	Project: “Investigating the specificity of neural correlates for emotion processing deficits in conduct disorder and autism spectrum disorders during different cognitive tasks” . Supervision, Coordination and Training of PhD and Master students in data collection, data analysis, thesis writing and general dissemination. PhD student: Antonia Tkalec, Master students: Kathrin Jaegger, Vithusan Somasundaram. Alessandro Baldassarri, Maria Beata Bierlein
Since 09/2020 UPK Basel	Project: “Linking traumatic experiences, self-regulation and aggression in adolescents with and without conduct disorder” . Supervision of Master student in data analysis and thesis writing. Masterstudents: Agnes Detert, Sarah Trefzer Project: “Investigating the specificity of neural correlates for emotion processing deficits in conduct disorder and autism spectrum disorders” . Supervision of Master student in data collection, analysis, and thesis writing. Master student: Lorena Leuenberger
02/2020-08/2020 University of Zurich	Project: “Strategic social decision making: The influence of emotion processing on value- based choices in a repeated interaction paradigm” . Supervision of Master student in data analysis and thesis writing: Master student: Lisa Grossenbacher
02/2019-08/2019 University of Zurich	Project: “Estimating the Influence of Age in Risk Taking with a Hierarchical Drift-Diffusion Model” . Supervision of Master student in data analysis and thesis writing. Master student: Harun Hrnčić
05/2019-01/2019 University of Zurich	Project: “Decision-making: A comparison of intertemporal and social preferences” . Supervision of Master student in data analysis and thesis writing. Master student: Hanae Rodriguez Prieto

7. Teaching Activities

Since 09/ 2019 University of Zurich	Cognitive Neuroscience Course. Lectures on Attention and Cognitive Control (HS19, HS20, HS21)
Since 09/2019 UPK Basel	AG Stadler Master colloquium Seminar Series (15-20 students/semester, HS19, FS20, HS20, FS21, HS21). Scientific input, discussion, feedback; teaching of science skills
2012-2021 University Pablo Olavide, Spain	Online MSc Clinical Neuropsychology and Online MSc Child and Adolescent Neuropsychology. Faculty member. Post-graduate degrees center.

8. Memberships in panel, boards, reviewing activities

Member of consortiums	Member of the International Group for Understanding Arithmetic, Numerical Cognition and Language (IGUANA) Member of the ENIGMA-ADHD consortium Member of the ENIGMA-ASB consortium Member of the Hochschulmedizin Zürich STRESS consortium Member of zIReN: z-proso International Research Network
-----------------------	--

External Examiner PhD Thesis (06/2021)	Degree: International PhD in Psychiatry. Thesis: “Resting-state Brain Intrinsic Connectivity Changes in Children and Adolescents with Attention-Deficit/Hyperactivity Disorder Treated with Stimulant Medications”. Universidad de Navarra, Spain. Student: Victor Pereira Sanchez, MD. Supervisors: Prof Cesar Soutullo and Prof Pilar de Castro-Manglano
Ad-hoc reviewer	<i>American Journal of Psychiatry</i> (2020-2022); <i>Cognitive, Affective and Behavioural Neuroscience</i> (2020); <i>Journal of Psychopharmacology</i> (2016,2017, 2018, +2020); <i>The World Journal of Biological Psychiatry</i> (2021); <i>Aggressive Behaviour</i> (2021); <i>Brain Imaging and Behaviour</i> (2020); <i>Neuroimage: Clinical</i> (2019), <i>Developmental Cognitive Neuroscience</i> (2019); <i>Biological Psychiatry: Cognitive Neuroscience and Neuroimaging</i> (2019); <i>Human Brain Mapping; Journal of Psychiatric Research</i> (2012?-2020); <i>Journal of Cognitive Neuroscience</i> (2018); <i>Child and Adolescent Psychiatry and Mental Health</i> (2017); <i>Psychiatry Research Neuroimaging; Brain Structure and Function</i> (2014); <i>European Neuropsychopharmacology; Journal of Neurodevelopmental Disorders</i> (2012)

9. Active Membership in Scientific Societies, Fellowships

Since 2018	Swiss Society for Neuroscience (SSN)
Since 2018	Society for Neuroscience (SfN)
Since 2018	Flux Society, the Society for Developmental Cognitive Neuroscience
Since 2018	Society for Neuroeconomics
Since 2010	Colegio Oficial de Psicólogos de Madrid, Clinical Psychologist

10. Prizes, Awards , Fellowships

02/2021	antelope Career Program for highly qualified female postdoctoral researchers; University of Basel, Switzerland. Amount: CHF 5'200
07/2019	Conference Travel Award. Swiss Academy of Humanities and Social Sciences (Schweizerische Akademie der Geistes- und Sozialwissenschaften, SAGW) for the 7th Flux Conference (Developmental Cognitive Neuroscience), New York, United States of America, August 2019. Amount: CHF 1'000
06/2017	Conference Travel Award. Swiss Academy of Humanities and Social Sciences (Schweizerische Akademie der Geistes- und Sozialwissenschaften, SAGW) for the 18th European Conference on Developmental Psychology, Utrecht, Netherlands, August 2017. Amount: CHF 1'000
09/2011	Young Scientist Symposium Award. 24 th European College of Neuropsychopharmacology (ECNP) Congress, Paris, France
03/2011	Best Poster Award. European College of Neuropsychopharmacology (ECNP) workshop, Nice, France
06/2009	Pan-American Association Editors' Award, oral communication category. Meeting of the Spanish Association of Child and Adolescent Psychiatry, Pamplona, Spain
06/2009	Pan-American Association Editors' Award, poster category. Meeting of the Spanish Association of Child and Adolescent Psychiatry, Pamplona, Spain
05/2009	Young Scientist Award. 2 nd International Congress on ADHD, Vienna, Austria
01/2009-05/2012	PhD Studentship. National Institute for Health Research (NIHR) Biomedical Research Centre (BRC) for Mental Health at South London and Maudsley NHS Foundation Trust and Institute of Psychiatry, Psychology and Neurosciences, King's College London. Amount: £71'000
07/2007-09/2009	Alicia Koplowitz Fellow (Child Psychology and Psychiatry). Institute of Psychiatry at King's College, London, UK. Amount: £120'000

11. Career breaks

07/2012-09/2013	Maternity leave/Unemployment (Marc Ruben, 12.10.2012)
05/2016-01/2017	Maternity leave (Valeria Alba, 30.05.2016)
